

Flamboro Speedway Notice
September 25, 2011

Oktoberfest Weekend – Show-up Points

The following ruling will apply to the Oktoberfest Classic Weekend for all Flamboro Speedway divisions and drivers/owners participating.

"Each Flamboro Speedway registered car participating in the 2011 Oktoberfest Classic Weekend will receive 100 show-up points, to be issued to the owner (no driver or racing points). In order to be awarded those points, the participating car must conform to the Flamboro Speedway rulebook for that division, and race under the registered number for that car in that division. Any driver/car that is entered under the "home track rules" provision for the Oktoberfest event using other than a Flamboro Speedway rules package shall be considered a "visiting" car and no show-up points will be issued. This means that if, for example, you have registered and raced at Flamboro Speedway in the 2011 season and accumulated points, but decide to race the Oktoberfest event under your Sunset Speedway registration and rules, you will NOT receive Flamboro Speedway show-up points.

If you have any comments, questions or concerns, please submit them IN WRITING via e-mail at doncox3@live.com or through the contact on the Flamboro Speedway website (www.flamborospeedway.ca). No verbal submissions will be considered.
