CAR-DRIVER REGISTRATION 2012

COMPETITOR LICENSE/NUMBER REGISTRATION – GENERAL

1. A license (number registration) must be obtained before a racecar, owner or driver can take part in any Flamboro Speedway sanctioned event. Driver is considered to be the car owner unless otherwise specified. A separate form must be completed at the Flamboro Speedway office (pit tower) prior to racing if anyone other than the driver (i.e., car owner) is to receive race winnings or point fund money for the associated number.
3. For inter-track competition (i.e., invitational), a number registration must be entered at Flamboro Speedway before entry into the event.
4. Flamboro Speedway will assign numbers on a first-request basis as license applications are received. Numbers assigned from previous year will be held for that competitor until February 12, 2012 providing said competitor has competed in 75% of sanctioned home-track events in the previous year. Failure to compete in at least 75% of available sanctioned home-track events will result in the number being released and available to another competitor.
5. Flamboro Speedway will assign a requested car number when possible.
6. Upon sale of a licensed car, the old number may be used by the new owner subject to written permission of the original registered owner.
7. All drivers are subject to approval or dismissal at the discretion of Flamboro Speedway officials.
8. Licenses / number registrations are not transferable. Any attempt to allow someone to use license without written consent from Flamboro Speedway will be subject to fine and/or suspension or dismissal.
9. All drivers are required to submit to a physical examination whenever requested by Flamboro Speedway officials.
10. Prize money and point fund awards will be paid only to the car owner or business that is registered, unless otherwise specified in writing (see item 1, "Competitor License / Number Registration General").
11. A Flamboro Speedway license entitles Flamboro Speedway and its award and contingency sponsor's permission to use competitor/owner names(s) and picture of the car for promoting, advertising, recording, broadcasting, transmitting and/or reporting of any Flamboro Speedway sanctioned event before/during and after such events, including but not
